1/ In Septr 1944, one Mr S Thennaiah, merchant Nazarbad Mysore, applied to the Trust Board for the free grant of the open land by the side of the Nazarbad Dispensary for the construction of an Anathalaya, for the girls of Vokkaligar and all other communities Mr Thennaiah has agreed to donate a sum of Rs 50,000/ for the purpose and has promised to make suitable arrangements for the maintenance of the Anathalaya by constructing a row of shops in front of the proposed building

3/ It is seen from the G O No dt 8481/ML 57-3 20 dated 10-6-35 that this bit of land has been reserved by Government for the construction of a School building There has

however been no proposal from the Education Department for the construction of any school in this locality The Chairman of the Trust Board has therefore recommended that this area may be granted free of cost in view of the philanthropic object for which proposed to be utilised

If so for orders if the Director of Public Instruction may be consulted & the Education Department intends putting up a school building in the above vacant space

If Before disposing of this land as recommended by the Trust Board it would be desirable to request the Chairman of the Trust Board to Consult the D P I if the said land would be required for the purpose of the Education Deptt either now or in the near future This is necessary in view of the fact that the said land has been specifically reserved for the purpose of a school building (vide pl 191 in the P O dated 10-6-35 Map M)
